Dear Parents and
Carers

Your school needs you!

The children, staff and governors really need your help. All Saints Primary School is a wonderful school community where each and every child and their family is known and respected by all. HMI commented on the caring, thoughtful and respectful attitudes of our children during our recent Ofsted visit. This is one of the many benefits of our small school community.

Sometimes, however, being a small school means we do not have the resources for the added extras. We always appreciate the work of the Friends of All Saints who work so hard to raise such valuable funds for the benefit of all our children. We also need adult time to support us in our work.

At the moment we would love some help with our

- **Library**- can you offer a couple of hours a week to help sort it out and help the children enjoy it more?
- **Website** – could you work with the staff and children to make sure our website showcases the wonderful work we do?
- **Coaching** – do you have a particular sporting interest you could share with the children? We are hoping to enter the Catholic Cup, a Diocesan wide all-day football tournament, and we need help to coach our football teams.
- **Gardening** – the installation of the new security fence means we have a lovely, safe garden area which would make a great outdoor classroom. At the moment it's a mess! We need help to clear it, tidy it up, maybe paint a mural and do some planting. The children would love to be involved and it would make a fantastic area for the future. Can you help?

If you could offer anytime to any of these projects or have any ideas of your own we would be delighted to hear from you. Just contact me or Mrs Johnstone or any of the staff here in school.

Yours sincerely

M. Cobbold
