

^ MARY'S MEALS //

COMING SOON....

Busy Mustard Seeds By Anselm

The Mustard Seeds are very busy with our **Mary's Meals** charity. We want to raise a lot of money to feed school pupils in poor parts of the world where children are so hungry they can't concentrate in lessons.

We are also getting ready to welcome our Bishop. He is coming to visit us soon and he will tell us about our Advent **Mission Together** project. This year we are

going to raise money for children in Kenya. Our Bishop has actually been there and he can tell us exactly where our money will go.

We have been getting Prayer displays ready to show people about Mary's Meals and preparing an appeal for Church too.

We are also getting our Advent Collective Worship ready with some members of the Drama group.

Mary's Meals

Our Mary's Meals Prayer Display has got information about the charity. Not only that, but there is also a prayer activity. You can say the special prayer as you place a lovely coloured glass stone in the basket and think of the hungry children in the world.

You have a choice for this competition...

We are trying to raise money to feed lots of hungry children in the world, so we want you to: Either draw a picture of your favourite meal or write a GRACE BEFORE MEALS prayer.

You can do both!

Hand your entries to Mrs Anderson by Tuesday 6th December. Don't forget to write your name. Winners get a prize!
