

A Thirsk for Knowledge

Opening Event Saturday 1st April

On Saturday 1st April Thirsk Library will become Thirsk Community Library! You may not notice much has changed but from April 1st the Library will be run by volunteers with support from North Yorkshire County Council. Please join us on Saturday 1st April to celebrate this event.

The Mayor of Thirsk, Councillor Derek Adamson, will be cutting the ribbon at about 09.30 and we are hoping there will have been a surprise visit from Thirsk Yarnbombers! There will also be an opportunity to support the library by joining The Friends of Thirsk Library.

Even if you don't want to borrow or return any books, come in and talk to the volunteers and share with us your ideas of how the library can become a hub of the community in Thirsk and the surrounding villages.

The library will be open as usual from 09.30 to 12.30 on Saturday and we plan to continue or even extend the normal opening hours in the future.

We are still looking for more volunteers to help in the library. To find out more, please contact:
